Analyzing the IMDB dataset, we can draw some points based on the listed insights:

1. A total of 2001 movies were produced in 2019, of which 1078 are of the Drama genre. Therefore, RSVP Movies should focus on the 'Drama' genre for their next project.

2. Anticipated time for the future project could have an average duration of 107 mins.

3. We can predict that Dream Warrior Pictures, ranked first, or National Theatre Live ranked second, could produce the next project.

4. James Mangold could be hired as the director for their next project since he is on the top with an average rating of 8+ and has also Directed two famous movies named 'Logan' and 'The Wolverine'.

5. Based on the median rating, Mammootty is ranked first, and Mohanlal is ranked second and could work for their next project of RSVP, which can focus on Drama of an average length of 107 mins. Taapsee Pannu could be chosen as the actress with an average rating.

6. Based on the total votes, Vijay Sethupathi could be hired as the side actor for their next project as RSVP Movies. The local audience would prefer the same.

7. Since we know that Marvel Studios is first due to their movies of average and marvel comics so they can choose it as a global partner.
